

Application Day!

High School Seniors!

This is the time of year when many of you might be considering your next steps after graduation.

For seniors who have not applied to college, this is your chance to meet with Admission Representatives from New Mexico Highlands University, New Mexico State University, San Juan College, and Western New Mexico University. Come and learn how to apply to each college and have your questions answered. Colleges may also be offering application fee waivers!

Join Us!

Monday, April 19, 2021

3-5pm (MDT)
