2019 NASP Recipients

Since 2009, New Mexico Gas Company (NMGC) has worked to develop and maintain positive relations with tribal communities and governments throughout New Mexico. We value and regard the sovereign status of tribal governments in New Mexico and across the country, and we look forward to building upon our positive relationships in the coming years.

In 2011, NMGC developed the Native American Scholarship Program (NASP) to assist students in pursuit of post-secondary education resulting in an Associates, Bachelors, Masters Degree, or Certification from a trade school. NMGC has awarded 181 scholarships to deserving students since 2011.

We are pleased to announce NMGC will be offering 20 — \$2,000 scholarships for the 2021-2022 academic year.

The *online-only applications* will be accepted beginning April 2 — May 7, 2021.

Scholarship award notifications will be made by the end of June 2021.
